

2017 Fleetwood Jamboree 31U (18,845 Miles)

This RV features two slide outs, expanding the living space for enhanced comfort and relaxation. You can access the bathroom and back bedroom when the slides are in, Rest easy knowing that the RV's power system is up to date, with the house batteries replaced with Duracell batteries in 2019 ensuring reliable off-grid adventures. This unit is very clean and is housed under roof when not used. There are no dents and no animal smells inside.
